

Teens and Parents Needed for Mobile App Study

HELP US TEST AN APP FOR YOUTH & PARENTS

We are looking for Juvenile Justice-involved youth 15 to 21 years old who have struggled with feeling suicidal; a parent or legal guardian will need to participate as well.

WHO IS ELIGIBLE?

- ✓ Youth (15-21 years old) and their Parents/Guardians
 - Both fluent in English
 - Both own an Android or Apple smartphone with a data plan
 - Living in same household at least 5 days per week
 - Youth Involved with Juvenile Justice (probation, re-entry services, etc.)
 - Youth has experienced suicidality or non-suicidal self-injury
 - Youth willing to talk to parent/guardian about suicidality

WHAT IS INVOLVED?

- Parent/Youth pairs use a mobile phone app together for 2 months
- Parents/Youth will be asked to meet with us 3 times over 2 months for an interview and to complete surveys online.

STUDY PAYMENT

Up to \$240 per family:
\$40 per interview
